Criminal No. 3:09-0007  
Judge. Hon Haynes Jr.

TO THE Clerk of Court:

Dear Sir/Madam.

I am the interested person named in the caption above and my federal criminal case number is displayed as well. I am writing concerning information on how would I be able to obtain a copy of my federal sentencing transcripts. I was CJA court appointed counsel who would not aid me in supplying me with a copy, even after I had received them, now I am forced to purchased them and I need to know how to, and the lost of these documents.

Also I wish to file for postconviction relief and I need your office to send me an application/form to proceed in filing a 2255 pro-se.

Time is of the essence and I really would appreciated your assistance in this important legal matter. Happy Holidays and thank you.

Sincerely

/s/ Carlos F. Manuel
